

BCIB Trade Profiles

British Columbia Infrastructure Benefits Inc. (BCIB) is a Crown Corporation employing skilled trades people on major infrastructure projects throughout the province. We employ the labour force on projects that fall under the Province's Community Benefits Agreement (CBA). When you join our database of skilled tradespeople, you gain access to a network of projects.

Through the CBA, we open doors for underrepresented workers, maximize apprenticeship opportunities, and work to create respectful and welcoming worksites. Our goal is to help you progress in your career with consistent work closer to home.

Labourer - Traffic Control Person (TCP):

BCIB is recruiting Labourers- Flagger (TCP) for the Broadway Subway Project all through the year 2022

Job Profile Overview:

Main duties of a Traffic Control Person include stopping, slowing and safely directing traffic through the construction site. Additional duties include regulating traffic flow, giving traffic control directions and clear signals, as well as maintaining a safe work environment for both workers and public.

Working Conditions:

- Extended/long shift hours in changing weather conditions
- Construction jobs require workers to be in good physical condition
- Noisy and dusty environments on dynamic terrains
- Must be able to stand for prolonged periods of time
- Busy job environment with multiple trades working together
- Elevated work platforms and cramped spaces frequently alternating between standing, kneeling, and lifting
- Personal Protective Equipment will be required (e.g., steel-toed safety boots, safety glasses/goggles, etc.)

Experience, qualifications, and certifications that are considered an asset:

- Experience with a valid Traffic Control Person (TCP) Ticket required (When applying please select Labourer as your trade designation).
- Experience in shutting down streets in the middle of a city and highway traffic control experience is considered an asset
- OFA Level 1-3 considered an asset
- Experience working in heavy civil construction or road building considered an asset
- Must have good communication, interpersonal & coordination skills
- Fall Protection, Ariel Work Platform, Confined Space Entry considered an asset
- Have an understanding and the ability to follow safe work procedures.
- Site Ready BC with WHIMIS is required. Details will be provided by BCIB upon hire.

Create a Profile with BCIB

To apply for work opportunities with BCIB, start by creating an online profile. Once you apply and are accepted into our database, we'll contact you when an appropriate position becomes available. When

you join BCIB, you're joining a community of skilled British Columbians who work on some of the most interesting projects in the province.

Go to www.bcib.ca and click "Apply Now." If you've already created a profile, hit "Already applied?" If you have any trouble accessing your profile, please email workforce@bcib.ca so we can help.

Skills Development

BCIB works with various support organizations to bridge skill gaps among workers with different levels of experience. If there are skilled trades training opportunities which match your profile, we will contact you.
