

## **Trade Profile: Carpenter – V. 1**

BCIB is recruiting for Carpenters and Apprentices.

Carpenters and Apprentices may be required on the Highway One Expansion Program in the next six months.

BCIB recruits' workers by using Trade Profiles. Trade Profiles differ from typical job descriptions as they do not include specific duties, and exact positions may include specialized certifications or experience.

Trade Profiles describe the types of trades BCIB expects to hire on a project. We know what jobs will be required on a project, but we don't always know in advance the number of positions that will be available or details like the specialized certifications required. The contractor and subcontractors let BCIB know these details closer to the start of work, but we want workers to get prepared and register with BCIB well ahead of being needed on site.

### **Job Description Overview:**

As described by the ITA, carpenters may be required to build and repair a vast array of structures made of wood, wood-substitutes, and other materials. Carpenters assemble and erect forms for concrete, wood and metal frame construction and use plans and instruments to prepare for excavating and shoring.

#### **Working Conditions:**

- Must be able work extended shift hours, in all weather conditions
- Noisy and dusty environments on all types of terrain
- Personal Protective Equipment will be required (e.g. steel-toed safety boots, safety glasses/goggles, etc.)
- Experience working in a busy job environment will be considered an asset

#### **Qualifications and Certifications that are considered an Asset:**

- CSTS-2020, RSTS, or Site Ready BC (Link for enrolment to be provided by BCIB)
- Valid Carpentry ticket or apprenticeship certification considered an asset
- General carpentry and/or concrete formwork experience, both engineered and freeform considered a key asset
- Have an understanding and the ability to follow safe work procedures

### **Skills Development:**

BCIB works with a network of support organizations for many skilled and unskilled tradespeople. If there are additional training or skilled trades development opportunities, BCIB will reach out to connect you.

\*This Trade Profile is subject to change due to project needs, contractor requirements and other general updates to work timelines and scope.
