

## **Trade Profile: Teamster – V. 1**

BCIB is recruiting for Teamster and Trainees.

Teamsters and Trainees may be required on the Highway One Expansion Program in the next six months.

BCIB recruits' workers by using Trade Profiles. Trade Profiles differ from typical job descriptions as they do not include specific duties, and exact positions may include specialized certifications or experience.

Trade Profiles describe the types of trades BCIB expects to hire on a project. We know what jobs will be required on a project, but we don't always know in advance the number of positions that will be available or details like the specialized certifications required. The contractor and subcontractors let BCIB know these details closer to the start of work, but we want workers to get prepared and register with BCIB well ahead of being needed on site.
