

BCIB Trade Profiles

British Columbia Infrastructure Benefits Inc. (BCIB) is the construction employer on some of British Columbia's largest infrastructure projects. Through the Community Benefits Agreement (CBA), BCIB prioritizes the hiring of qualified underrepresented workers including locals, Indigenous peoples, women, 2SLGBTQ+, people of colour and those with disabilities. BCIB's Respectful Onsite Initiative program enables a culturally competent and respectful worksite. BCIB is committed to growing and mobilizing a safe, diverse, and skilled workforce and increase opportunities for apprenticeships.

When you join our database of skilled tradespeople, you gain access to a network of projects. Our goal is to help you progress in your career with consistent work closer to home.

Crane Operator

Crane Operators are required on the Broadway Subway Project all through the year of 2023.

Job Profile Overview:

As described by SkilledTradesBC, formerly known as ITA, a Crane Operator is a person who operates cranes (including luffing jib and articulated jib tower cranes, mobile cranes, and Hiab crane truck) to perform lifts and hoist loads and has experience with rigging practices and procedures.

BC Crane Safety registration is required for all crane operators in British Columbia. Crane Operator certification in British Columbia is mandatory by virtue of the provincial Occupational Health and Safety Regulation (WorkSafeBC).

Working Conditions and other requirements:

- Extended shift hours in changing weather conditions.
- Busy, noisy and dusty environments on dynamic terrains with multiple trades working together.
- Frequently alternating between standing, kneeling, and lifting positions in elevated or cramped spaces.
- Personal Protective Equipment will be required (e.g., steel-toed safety boots, safety glasses/goggles, etc.)
- Construction jobs may require workers to be in good physical condition with the ability to lift heavy weight.
- Must have good observational skills and the ability to multitask.
- Have a good understanding and the ability to follow safe work procedures.

Experience, qualifications, and certifications that are considered:

- Must have Red Seal, Journey person qualification, and/or Level A Certification, and at least 1 year solid operating experience.
- Must be actively registered with BC Crane Safety.
- Prior work experience as a Rigger accompanied with Fall Protection and Rigging Certificate preferred.
- Must be able to perform pre-operational inspection and calculate crane capacities and weight to prepare for rigging and hoisting.
- Experience working in heavy civil construction or road building is considered an asset.
- Class 1 or 3 driver's license is considered an asset.
- Site Ready BC including WHMIS (details will be provided by BCIB upon employment).

Create a Profile with BCIB

To apply for work opportunities with BCIB, start by creating an online profile. Once you apply and are accepted into our database, we'll contact you when an appropriate position becomes available. When you join BCIB, you're joining a community of skilled British Columbians who work on some of the most interesting projects in the province.

Go to www.bcib.ca and click "Apply Now." If you've already created a profile, hit "Already applied?" If you have any trouble accessing your profile, please email workforce@bcib.ca so we can help.

Skills Development

BCIB works with various support organizations to bridge skill gaps among workers with different levels of experience. If there are skilled trades training opportunities which match your profile, we will contact you.
