

BCIB Trade Profiles

British Columbia Infrastructure Benefits Inc. (BCIB) is the provincial Crown Corporation responsible for implementing the Community Benefits Agreement (CBA) on select public infrastructure projects. The CBA prioritizes the hiring of qualified local, Indigenous peoples, women, people with disabilities and other underrepresented groups and enables a culturally competent and respectful worksite. BCIB is committed to growing and mobilizing a safe, diverse and skilled workforce and increase opportunities for apprenticeships.

When you join our database of skilled tradespeople, you gain access to a network of projects. Our goal is to help you progress in your career with consistent work closer to home.

Equipment Operators:

Equipment Operators and Apprentices, that have experience operating Excavators, Loaders and Dozers are required on the Pattullo Bridge Replacement Project all throughout 2023.

Job Profile Overview:

As an Equipment Operator you will be required to safely operate heavy equipment with precision. Task examples may include rough and finished grading, ripping, ditching, and sloping, blending and spreading material, utility and grade maintenance work, building haul roads, loading haul trucks, stockpiling, material handling, compacting for ground density and grade and excavating—all in possibly close proximity to personnel and other equipment.

Working Conditions and other requirements:

- Extended shift hours in changing weather conditions.
- Busy, noisy and dusty environments on dynamic terrains with multiple trades working together.
- Personal Protective Equipment will be required (e.g., steel-toed safety boots, safety glasses/goggles, etc.)
- Construction jobs may require workers to be in good physical condition with the ability to lift heavy weight.
- Ability to follow instructions and basic design specifications.
- Must have good observational skills and the ability to multitask.
- Have a good understanding and the ability to follow safe work procedures.
- Have good communication and interpersonal skills.

Experience, qualifications, and certifications that are considered an asset:

- Valid HEO ticket, Fall Protection, Skid Steer and Ground Disturbance Level II Certificate considered an asset.
- Must have at least 3 years of experience in operating Heavy Equipment (Excavators, Loaders, Backhoe and Dozers) including attachments.
- Must have experience working around underground utilities and installing pipe.
- Experience working with trench boxes and shoring.
- Experience in completing field/site paperwork.
- Ability to read technical drawings and assist managing materials following city specifications.
- A Valid Class 5 Driver's License with a clean driver's abstract.
- Experience working in heavy civil construction or road building considered an asset.
- Site Ready BC including WHMIS (details will be provided by BCIB upon employment).

Create a Profile with BCIB

To apply for work opportunities with BCIB, start by creating an online profile. Once you apply and are accepted into our database, we'll contact you when an appropriate position becomes available. When you join BCIB, you're joining a community of skilled British Columbians who work on some of the most interesting projects in the province.

Go to www.bcib.ca and click "Apply Now." If you've already created a profile, hit "Already applied?" If you have any trouble accessing your profile, please email workforce@bcib.ca so we can help.

Skills Development

BCIB works with various support organizations to bridge skill gaps among workers with different levels of experience. If there are skilled trades training opportunities which match your profile, we will contact you.
