

BCIB Trade Profiles

British Columbia Infrastructure Benefits Inc. (BCIB) is the provincial Crown Corporation responsible for implementing the Community Benefits Agreement (CBA) on select public infrastructure projects. The CBA prioritizes the hiring of qualified local, Indigenous peoples, women, people with disabilities and other underrepresented groups and enables a culturally competent and respectful worksite. BCIB is committed to growing and mobilizing a safe, diverse and skilled workforce and increase opportunities for apprenticeships.

When you join our database of skilled tradespeople, you gain access to a network of projects. Our goal is to help you progress in your career with consistent work closer to home.

Pile Driver

Journey Person and Foreperson Pile Drivers are required on the Pattullo Bridge Replacement Project all through the year 2022.

Job Profile Overview:

As described by the ITA a piledriver may be required to construct, install, repair or remove all types of deep piles and caisson foundations and other types of marine installations: such as bridges, docks, wharves, tunnels and bulkheads.

Skills required are fitting, welding, rigging, formwork and timber/ concrete construction, seamanship, heavy-duty equipment operation, and environmentally safe practices.

Working Conditions and other requirements:

- Extended shift hours in changing weather conditions.
- Busy, noisy and dusty environments on dynamic terrains with multiple trades working together.
- Personal Protective Equipment will be required (e.g., steel-toed safety boots, safety glasses/goggles, etc.)
- Construction jobs may require workers to be in good physical condition with the ability to lift heavy weight.
- Must be willing and comfortable to work around water.
- Ability to follow instructions and basic design specifications.
- Must have good observational skills and the ability to multitask.
- Have a good understanding and the ability to follow safe work procedures.
- Have good communication, interpersonal and coordination skills.

Experience, qualifications, and certifications that are considered an asset:

- Must have a valid Pile Driver ticket and a minimum of 3-5 years of experience as a Pile Driver.
- Must have experience in welding, rigging, formwork and heavy duty equipment operation.
- Must have OFA Level 1, Rigging, Hoisting and Signaling Certifications.
- Must have Telehandler/ Forklift Certificate, Pleasure Craft Operator Card, Chainsaw Safety Training, Skid Steer Certificate and ITA registration.
- Must have Fall Protection, Ariel Work Platform, Confined Space Entry.
- Must have a Class 5 Driver's License.
- CWB and Welding Foundation considered an asset.
- Experience working in heavy civil construction or road building considered an asset.

- Site Ready BC including WHMIS (details will be provided by BCIB upon employment).

Create a Profile with BCIB

To apply for work opportunities with BCIB, start by creating an online profile. Once you apply and are accepted into our database, we'll contact you when an appropriate position becomes available. When you join BCIB, you're joining a community of skilled British Columbians who work on some of the most interesting projects in the province.

Go to www.bcib.ca and click "Apply Now." If you've already created a profile, hit "Already applied?" If you have any trouble accessing your profile, please email workforce@bcib.ca so we can help.

Skills Development

BCIB works with various support organizations to bridge skill gaps among workers with different levels of experience. If there are skilled trades training opportunities which match your profile, we will contact you.
