

## BCIB Trade Profiles

British Columbia Infrastructure Benefits Inc. (BCIB) is the provincial Crown Corporation responsible for implementing the Community Benefits Agreement (CBA) on select public infrastructure projects. The CBA prioritizes the hiring of qualified local, Indigenous peoples, women, people with disabilities and other underrepresented groups and enables a culturally competent and respectful worksite. BCIB is committed to growing and mobilizing a safe, diverse and skilled workforce and increase opportunities for apprenticeships.

When you join our database of skilled tradespeople, you gain access to a network of projects. Our goal is to help you progress in your career with consistent work closer to home.

### **Driller Operator**

Driller Operators are required on the Highway 1 – Four Laning Project on the Quartz Creek Bridge project site for approximately 4 weeks from late September through October.

#### **Job Profile Overview:**

Drillers will be required to operate hydraulic rotary type drills including Soilmec and Bauer Drill rigs.

#### **Working conditions and other requirements:**

- Extended shift hours, in changing weather conditions
- Busy, noisy and dusty environments on dynamic terrains with multiple trades working together.
- Personal Protective Equipment will be required (e.g., steel-toed safety boots, safety glasses/goggles, etc.)
- Construction jobs may require workers to be in good physical condition with an ability to lift heavy weight.
- Ability to follow instructions and basic design specifications
- Must have good observational skills and the ability to multitask
- Have a good understanding and the ability to follow safe work procedures
- Have good communication, interpersonal and coordination skills

#### **Experience, qualifications, and certifications that are considered an asset:**

- Valid Red Seal, Heavy Equipment Operator certification or Crane Operator Certification
- 10 years of proven experience working as a Rotary Drill Operator
- BC Crane safety certification considered an asset
- Must be able to offload, assemble, erect and disassemble drill
- Experience operating Soilmechs in rotary and CFA mode, must be comfortable drilling and coring soil and rocks, and must be competent at drilling rock sockets
- Experience working in heavy civil construction or road building considered an asset
- Rigging and Signaling certification considered an asset
- Class 5 Drivers License or higher considered an asset
- Site Ready BC including WHMIS required upon confirmation of employment (details will be provided by BCIB upon employment)

### **Create a Profile with BCIB**

To apply for work opportunities with BCIB, start by creating an online profile. Once you apply and are accepted into our database, we'll contact you when an appropriate position becomes available. When you join BCIB, you're joining a community of skilled British Columbians who work on some of the most interesting projects in the province.

Go to [www.bcib.ca](http://www.bcib.ca) and click "Apply Now." If you've already created a profile, hit "Already applied?" If you have any trouble accessing your profile, please email [workforce@bcib.ca](mailto:workforce@bcib.ca) so we can help.

### **Skills Development**

BCIB works with various support organizations to bridge skill gaps among workers with different levels of experience. If there are skilled trades training opportunities which match your profile, we will contact you.
